## ANALYTICAL INSTRUMENTATION

Industrial grade fixed gas detectors, smart wireless gas detection systems, portable gas detectors, sample draw systems, control systems, solid-state sensors, sensors accessories, and audio visual alarm stations

[www.DETCON.com](http://www.DETCON.com)

German engineered in-situ zirconia oxygen and combustibles analyzers that come with a 5-Year cell warranty

[www.ENOTEC.com](http://www.ENOTEC.com)

Hydrogen and air-cooled generator condition monitoring and predictive maintenance systems for electric power producers

[www.EONE.com](http://www.EONE.com)

Line of consistency, solids loading and chemical charge monitoring equipment for pulp, paper, and environmental applications

[www.INVISTA-SENSORS.com](http://www.INVISTA-SENSORS.com)

Worldwide manufacturer and supplier of high quality near infrared analyzers for laboratory and process measurements

[www.LTINDUSTRIES.com](http://www.LTINDUSTRIES.com)

Concentration and density using ultrasonic velocity technology

[www.SENSOTECH.com](http://www.SENSOTECH.com)

Analyzers for sodium, silica phosphate, dissolved oxygen, hydrazine conductivity, PH, ORP, chlorine, CLO<sub>2</sub>, turbidity, and total organic carbon for use in hi-purity steam, potable water, and waste water systems

## PROCESS INSTRUMENTATION

Smart (Hart) transmitters for high accuracy applications including DP, gauge pressure, absolute pressure, temperature, flow, and multivariable

[www.AUTROLTRANSMITTERS.com](http://www.AUTROLTRANSMITTERS.com)

Nidec Avtron Automation brings systems and product expertise to the industrial automation market

[www.NIDEC-AVTRON.com](http://www.NIDEC-AVTRON.com)

Standard and custom vessel weighing solutions, force measurement (web tension) for paper, steel, and converting industries

[www.BLHNOBEL.com](http://www.BLHNOBEL.com)

Industrial ultrasonic flow and level monitoring instrumentation, portable and permanent clamp-on Doppler and transit time flowmeters

[www.GREYLINE.com](http://www.GREYLINE.com)

A key supplier of Electronic & Mechanical Level Instrumentation, Sight Flow Indication, Chemical Process Equipment, and Engine & Gas Compressor Equipment for various industries, including oil and gas, petrochemical, power, pulp and paper, water and waste treatment

[www.KENCO-ENG.com](http://www.KENCO-ENG.com)

Instrumentation line featuring flow, pressure, level, temperature switches, float switches, level gauges, level transducers temperature gauges magnetic filters, needle valves, regulating valves, control devices, and relays

[www.KOBOLDUSA.com](http://www.KOBOLDUSA.com)

Electromagnetic, vortex, coriolis, variable area, ultrasonic flow measurements; radar, guided-wave, displacer, magnetic, level measurements, PH/ORP, conductivity, turbidity, free chlorine, CLO<sub>2</sub>, dissolved oxygen

[www.KROHNE.com](http://www.KROHNE.com)

**OleumTech®**

Industrial wireless automation products including gateways, transmitters, I/O modules, sensors, switches, and accessories

[www.OLEUMTECH.com](http://www.OLEUMTECH.com)

Provides a wide range of high performance industrial flow meters, including gas flow meters & liquid flow meters

[www.SMARTMEASUREMENT.com](http://www.SMARTMEASUREMENT.com)

Steam and water sample filters, coolers, magnetic traps, conditioning panel design, fabrication, and installation

[www.SAMPLEPANELS.com](http://www.SAMPLEPANELS.com)

Instrumentation for weather, carbon dioxide monitoring, humidity and dew point transmitters, and moisture in oil

[www.VAISALA.com](http://www.VAISALA.com)

Process Solutions

A Division of EGM

Pressure Gauges, Transducers, and Diaphragm Seals

[www.AMETEKUSG.com](http://www.AMETEKUSG.com)

Solenoid valves, angle body piston valves, valve manifolds, cylinders, filters, regulators and accessories

[www.ASCO.com](http://www.ASCO.com)

Industrial pipe hangers

[www.PIPEHANGERS.com](http://www.PIPEHANGERS.com)

Industrial sensors and controls for pressure, flow, temperature, air velocity, and level measurements

[www.DWYER-INST.com](http://www.DWYER-INST.com)

Control modules for atmosphere gas appliances, regulating systems for floor standing gas and oil boilers, fully electronic combustion control system for pre-mixing burners

[www.KROMSCHROEDER.de](http://www.KROMSCHROEDER.de)

Precision air pressure regulators, diaphragm air cylinders, electronic pressure transducers, filter regulator lubricator, pneumatic (air) relays, servo pressure controllers, accessories & add-ons

[www.MARSHBELLOFRAM.com](http://www.MARSHBELLOFRAM.com)

Pressure, level, temperature and force measurement equipment with accessories

[www.NOSHOK.com](http://www.NOSHOK.com)

Digital thermometers, thermal imaging, infrared thermometers, pressure and temperature recorders, data loggers

[www.PALMERWAHL.com](http://www.PALMERWAHL.com)

Broad range of industrial meters, indicators, and controllers for level, pressure, temperature, flow rate, electrical current, electrical voltage, strain, speed, weight and batch processes

[www.PREDIG.com](http://www.PREDIG.com)

Bimetal thermometers, pressure gauges, diaphragm seals, RTDs, thermocouples, pressure transmitters, compost thermometers, and related accessories

[www.REOTEMP.com](http://www.REOTEMP.com)

Precision manufactured line of instrumentation tubing fittings, valves, and accessories

[www.S-LOKNA.com](http://www.S-LOKNA.com)

Industrial pipe and hose mounting clamps that feature vibration and noise reduction properties

[www.STAUFFUSA.com](http://www.STAUFFUSA.com)

Complete line of high quality customized and standard temperature sensors

[www.TEMPMEASSYSTEMS.com](http://www.TEMPMEASSYSTEMS.com)

Perforated angle and channel tray, Snap Track cable tray, instrumentation stands, distribution manifolds, channel cable trays, and condensate chambers

[www.TECHLINEMFG.com](http://www.TECHLINEMFG.com)

Pre-insulated steam and electric heat trace tubing and pipe

[www.UNITHERMCC.com](http://www.UNITHERMCC.com)

Cushioned clamping, quick coupling, and support systems for pipe, conduit, tubing, and hose

[www.ZSI-INC.com](http://www.ZSI-INC.com)

### STAINLESS STEEL and THERMOPLASTIC TUBING

304 & 316 Welded and Seamless SS Tubing  
Polyethylene, Polyurethane, Nylon, and Teflon Thermoplastic Tubing

## VALVES and VALVE AUTOMATION

General purpose and high performance butterfly valves available with manual, electric, or pneumatic operators

[www.F-E-T.com](http://www.F-E-T.com)

Complete line of valves and accessories for industrial process and backflow prevention

[www.APOLLOVALVES.com](http://www.APOLLOVALVES.com)

Solenoid valves, angle body piston valves, valve manifolds, cylinders, filters, regulators and accessories

[www.ASCO.com](http://www.ASCO.com)

Industry trusted lineup of pressure regulating valves, thermostatic mixing valves, pressure relief valves, and backflow preventers

[www.CASHACME.com](http://www.CASHACME.com)

Industrial grade valves, piping, actuation, flow meters, and controls of all solid plastic construction

[www.CHEMLINE.com](http://www.CHEMLINE.com)

Thermoplastic pipe, valve and fitting products available in PVC, CPVC, Polypropylene, and PVDF materials

[www.NIBCO.com](http://www.NIBCO.com)

Pinch valves, knife gate valves, and pumps for shut-off and control applications ideal for use with slurries, powders, or coarse substances

[www.FLOWROX.com](http://www.FLOWROX.com)

Extensive range of ball, butterfly, gate, globe, plug and check valves with automation packages and accessories for multiple industries including Atomac, Automax, Durco, Noble, Worcester, and Valbart

[www.FLOWSERVE.com](http://www.FLOWSERVE.com)

World-wide manufacturer of valve and automation products designed for pharmaceutical, food and beverage, chemical processing, power generation, water and waste water clients

[www.GEMU-GROUP.com](http://www.GEMU-GROUP.com)

Spring loaded safety relief valves for air, gas, liquid, and mixed phase services

[www.CIRCOREENERGY.com](http://www.CIRCOREENERGY.com)

High quality, ball, butterfly, and check valves available in metal and lined construction

[www.INTERAPP.net](http://www.INTERAPP.net)

Precision air pressure regulators, diaphragm air cylinders, electronic pressure transducers, filter regulator lubricator, pneumatic (air) relays, servo pressure controllers, accessories & add-ons

[www.MARSHBELLOFRAM.com](http://www.MARSHBELLOFRAM.com)

Extensive line of butterfly, ball, gate, circuit balancing, stop and waste valves built on principles of quality and engineering

[www.NIBCO.com](http://www.NIBCO.com)

More than 50 years' experience in the design and manufacturing of knife gate valves, penstocks, dampers, and valves for hydraulic applications

[www.ORBINOX.com](http://www.ORBINOX.com)

Divert valves, back pressure valves, dump valves, globe valves, level control valves, liquid level controls, and accessories for oil and gas services

[www.PATHWAYCONTROL.com](http://www.PATHWAYCONTROL.com)

Trunnion ball valves, floating ball valves, full opening check valves for special service applications

[www.F-E-T.com](http://www.F-E-T.com)

Wide range of quarter turn valves available in many designs and materials for wide range of industrial and heavy commercial applications

[www.F-E-T.com](http://www.F-E-T.com)

Multi and part-turn actuators, rotary and linear positioners for process control and HVAC applications

[www.ROTORK.com](http://www.ROTORK.com)

Slide gate, ball sector and angle valves designed for liquid and gaseous applications

[www.SCHUBERTSALZERINC.com](http://www.SCHUBERTSALZERINC.com)

Rugged and durable metal seated ball valves for power generation, refining, chemical, mining, and pulp and paper industrial applications

[www.SSTVALVE.com](http://www.SSTVALVE.com)

Broad selection of high performance ball valves and accessories constructed in Stainless, Carbon, Alloy 20, Hastelloy C, Monel and Brass materials

[www.SHARPEVALVES.com](http://www.SHARPEVALVES.com)

Heavy duty line of strainers, butterfly valves and check valves

[www.TITANFCI.com](http://www.TITANFCI.com)

Relief valves, pressure regulators, back pressure regulators, and strainers constructed in a wide range of materials

[www.STRAVAL.com](http://www.STRAVAL.com)

Pneumatic, electro-pneumatic and digital valve positioners for various flow control markets

[www.VACACCESSORIES.com](http://www.VACACCESSORIES.com)

Industry leader for pipe, valve and fitting products headquartered in Houston, Texas

[www.ALLIED-GRP.com](http://www.ALLIED-GRP.com)

Polyethylene tanks and containment basins

[www.ASSMANN-USA.com](http://www.ASSMANN-USA.com)

Electrical motors

[www.BALDOR.com](http://www.BALDOR.com)

Wide range of industrial products for pumping and fluid processing systems including pulsation dampeners, diaphragm seals, and spill containment units

[www.BLACOH.com](http://www.BLACOH.com)

Industrial grade valves, piping, actuation, flow meters, and controls of all solid plastic construction

[www.CHEMLINE.com](http://www.CHEMLINE.com)

Thermoplastic pipe, valve and fitting products available in PVC, CPVC, Polypropylene, and PVDF materials

[www.NIBCO.com](http://www.NIBCO.com)

Pre-fabricated, skid-mounted specialty chemical and process feed systems for various applications and industrial markets

[www.EGM-LLC.com](http://www.EGM-LLC.com)

Electrical control panel design and fabrication services, PLC programming, remote monitoring panels and industrial networking

[www.EGM-LLC.com](http://www.EGM-LLC.com)

High quality chemical feed accessories including back pressure valves, pressure relief valves, calibration columns, and injection valves

[www.GRIFFCOVALVE.com](http://www.GRIFFCOVALVE.com)

AC Tech line of variable frequency drives for wide range of motor control applications

[www.LENZE.com](http://www.LENZE.com)

Thermoplastic valves, strainers, filters, pumps, bulkhead fittings and instrumentation products designed for industrial applications

[www.HAYWARDFLOWCONTROL.com](http://www.HAYWARDFLOWCONTROL.com)

A key supplier of Electronic & Mechanical Level Instrumentation, Sight Flow Indication, Chemical Process Equipment, and Engine & Gas Compressor Equipment for various industries, including oil and gas, petrochemical, power, pulp and paper, water and waste treatment

[www.KENCO-ENG.com](http://www.KENCO-ENG.com)

Calibration columns, injection quills, and standard and custom manufactured static mixers in wide range of materials

[www.KOFLO.com](http://www.KOFLO.com)

Global manufacturer of mechanical and electrical drive technology including speed reducers, electric motors, motor starters and AC vector drives

[www.NORD.com](http://www.NORD.com)

High quality industrial filtration equipment available in bag and cartridge type configurations

[www.SHELCO.com](http://www.SHELCO.com)

Broad range of plate and shell & tube heat exchangers for bio-fuel, chemical process, mining, naval, petroleum, power generation, pulp and paper, and sugar processing industries

[www.STANDARD-XCHANGE.com](http://www.STANDARD-XCHANGE.com)

### STAINLESS STEEL, CARBON STEEL, and HIGH ALLOY PIPING AND FITTINGS

Standard, Heavy, Double Extra Heavy Pipe, Flanges, Nipples, and Fittings

## CHEMICAL and PROCESS FEED EQUIPMENT
