

Anton Paar

Develops, produces and distributes highly accurate laboratory instruments and process measuring systems, and provides custom-tailored automation and robotic solutions.

www.ANTON-PAAR.COM

Scott Safety is an American manufacturer of portable and personal gas detection equipment.

www.SCOTTSAFETY.com

German engineered in-situ zirconia oxygen and combustibles analyzers that come with a 5-Year cell warranty

www.ENOTEC.com

Hydrogen and air-cooled generator condition monitoring and predictive maintenance systems for electric power producers

www.EONE.com

Manufactures and distributes analytical instruments and reagents used to test the quality of water and other liquid solutions

www.HACH.com

Line of consistency, solids loading and chemical charge monitoring equipment for pulp, paper, and environmental applications

www.INVISTA-SENSORS.com

In-Process Chemical Analyzers for the Polymer, Chemical, Biofuel, and Pulp & Paper industries. Provides continuous real-time monitoring of OH number, Acid number, Viscosity, Moisture, Density, Reaction End Point, Alkali, Kappa #, Acids and more.

www.LTINDUSTRIES.com

Process Solutions
A Division of EGM

Sensors for pH, ORP, conductivity, dissolved oxygen, and flow. Two generations of controllers cemented the AquaMetrix reputation as the manufacturer of instrumentation for the harshest of environments.

www.wateranalytics.net

Analyzers for sodium, silica phosphate, dissolved oxygen, hydrazine conductivity, PH, ORP, chlorine, CLO₂, turbidity, and total organic carbon for use in hi-purity steam, potable water, and waste water systems

www.SWAN-ANALYTICAL-USA.com

Process Solutions
A Division of EGM

PROCESS INSTRUMENTATION

Smart (Hart) transmitters for high accuracy applications including DP, gauge pressure, absolute pressure, temperature, flow, and multivariable

www.AUTROLTRANSMITTERS.com

Nidec Avtron Automation brings systems and product expertise to the industrial automation market

www.NIDEC-AVTRON.com

Standard and custom vessel weighing solutions, force measurement (web tension) for paper, steel, and converting industries

www.BLHNOBEL.com

Industrial ultrasonic flow and level monitoring instrumentation, portable and permanent clamp-on Doppler and transit time flowmeters

www.Pulsarmeasurements.com

Industrial Non-contact Measurement Devices – Infrared Thermometers/Pyrometers and Infrared Cameras/Thermal Imagers

www.OPTRIS.com

A key supplier of Electronic & Mechanical Level Instrumentation, Sight Flow Indication, Chemical Process Equipment, and Engine & Gas Compressor Equipment for various industries, including oil and gas, petrochemical, power, pulp and paper, water and waste treatment

www.KENCO-ENG.com

Instrumentation solutions including CEMS & Process Monitoring Gas Analyzers, Flowmeters, Flowmeters for Air, Pressure Transmitters, High Static DP Transmitters, Paperless & Paper Recorders, Controllers, and HMI's.

www.FUJIELECTRIC.com

Instrumentation line featuring flow, pressure, level, temperature switches, float switches, level gauges, level transducers temperature gauges magnetic filters, needle valves, regulating valves, control devices, and relays

www.KOBOLDUSA.com

Electromagnetic, vortex, coriolis, variable area, ultrasonic flow measurements; radar, guided-wave, displacer, magnetic, level measurements, PH/ORP, conductivity, turbidity, free chlorine, CLO2, dissolved oxygen

www.KROHNE.com

Hamilton Company specializes in the development, manufacturing and customization of precision measurement devices, automated liquid handling workstations, and sample management systems.

<https://www.hamiltoncompany.com>

Provides a wide range of high performance industrial flow meters, including gas flow meters & liquid flow meters

www.SMARTMEASUREMENT.com

UWT is your expert partner for measuring both solid & liquid solutions. Rotary paddle level switches, Capacitive sensors, Radar Sensors, NivoTec® Inventory Monitoring.

https://www.uwtgroup.com/en_us/

Reliable Gas Detection and Alarm Control Solutions. Custom gas detection and alarm controls, critical alarm controllers, wireless gas monitors, WaveNet Relayer and WaveBridge Modem/Repeater.

<http://www.rcsystemsco.com/>

Delta offers three main product lines of level, flow, and temperature encompassing a variety of technologies including thermocouple, pyrometer, pressure, capacitance, mechanical, and more. All Delta products are manufactured to the extensive quality standards of our Louisiana-based factory.

<http://www.deltacnt.com/>

Process Solutions
A Division of EGM

Pressure Gauges, Transducers, and Diaphragm Seals

www.AMETEKUSG.com

Solenoid valves, angle body piston valves, valve manifolds, cylinders, filters, regulators and accessories

www.ASCO.com

Industrial pipe hangers

www.PIPEHANGERS.com

Industrial sensors and controls for pressure, flow, temperature, air velocity, and level measurements

www.DWYER-INST.com

Control modules for atmosphere gas appliances, regulating systems for floor standing gas and oil boilers, fully electronic combustion control system for pre-mixing burners

www.KROMSCHROEDER.de

Precision air pressure regulators, diaphragm air cylinders, electronic pressure transducers, filter regulator lubricator, pneumatic (air) relays, servo pressure controllers, accessories & add-ons

www.MARSHBELLOFRAM.com

Pressure, level, temperature and force measurement equipment with accessories

www.NOSHOK.com

Digital thermometers, thermal imaging, infrared thermometers, pressure and temperature recorders, data loggers

www.PALMERWAHL.com

Broad range of industrial meters, indicators, and controllers for level, pressure, temperature, flow rate, electrical current, electrical voltage, strain, speed, weight and batch processes

www.PREDIG.com

Process Solutions
A Division of EGM

INSTRUMENTATION ACCESSORIES

Bimetal thermometers, pressure gauges, diaphragm seals, RTDs, thermocouples, pressure transmitters, compost thermometers, and related accessories

www.REOTEMP.com

Precision manufactured line of instrumentation tubing fittings, valves, and accessories

www.S-LOKNA.com

Industrial pipe and hose mounting clamps that feature vibration and noise reduction properties

www.STAUFFUSA.com

Complete line of high quality customized and standard temperature sensors

www.TEMPMEASSYSTEMS.com

Perforated angle and channel tray, Snap Track cable tray, instrumentation stands, distribution manifolds, channel cable trays, and condensate chambers

www.TECHLINEMFG.com

Pre-insulated steam and electric heat trace tubing and pipe

www.UNITHERMCC.com

Cushioned clamping, quick coupling, and support systems for pipe, conduit, tubing, and hose

www.ZSI-INC.com

STAINLESS STEEL and THERMOPLASTIC TUBING

304 & 316 Welded and Seamless SS Tubing
Polyethylene, Polyurethane, Nylon, and Teflon Thermoplastic Tubing

Process Solutions
A Division of EGM

VALVES and VALVE AUTOMATION

General purpose and high performance butterfly valves available with manual, electric, or pneumatic operators

www.F-E-T.com

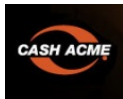

Complete line of valves and accessories for industrial process and backflow prevention

www.APOLLOVALVES.com

Solenoid valves, angle body piston valves, valve manifolds, cylinders, filters, regulators and accessories

www.ASCO.com

Industry trusted lineup of pressure regulating valves, thermostatic mixing valves, pressure relief valves, and backflow preventers

www.CASHACME.com

Industrial grade valves, piping, actuation, flow meters, and controls of all solid plastic construction

www.CHEMLINE.com

Thermoplastic pipe, valve and fitting products available in PVC, CPVC, Polypropylene, and PVDF materials

www.NIBCO.com

Pinch valves, knife gate valves, and pumps for shut-off and control applications ideal for use with slurries, powders, or coarse substances

www.FLOWROX.com

World-wide manufacturer of valve and automation products designed for pharmaceutical, food and beverage, chemical processing, power generation, water and waste water clients

www.GEMU-GROUP.com

Spring loaded safety relief valves for air, gas, liquid, and mixed phase services

www.CIRCOREENERGY.com

High quality, ball, butterfly, and check valves available in metal and lined construction

www.INTERAPP.net

Process Solutions
A Division of EGM

VALVES and VALVE AUTOMATION

Precision air pressure regulators, diaphragm air cylinders, electronic pressure transducers, filter regulator lubricator, pneumatic (air) relays, servo pressure controllers, accessories & add-ons

www.MARSHBELLOFRAM.com

Manufacturer and supplier of Control Valves, Shut-off Valves, Desuperheaters and Pressure Reducing cum Desuperheating Stations (PRDS)

www.MASCOTVALVES.com

Extensive line of butterfly, ball, gate, circuit balancing, stop and waste valves built on principles of quality and engineering

www.NIBCO.com

More than 50 years' experience in the design and manufacturing of knife gate valves, penstocks, dampers, and valves for hydraulic applications

www.ORBINOX.com

Divert valves, back pressure valves, dump valves, globe valves, level control valves, liquid level controls, and accessories for oil and gas services

www.PATHWAYCONTROL.com

Trunnion ball valves, floating ball valves, full opening check valves for special service applications

www.F-E-T.com

Wide range of quarter turn valves available in many designs and materials for wide range of industrial and heavy commercial applications

www.F-E-T.com

Multi and part-turn actuators, rotary and linear positioners for process control and HVAC applications

www.ROTORK.com

Slide gate, ball sector and angle valves designed for liquid and gaseous applications

www.SCHUBERTSALZERINC.com

Rugged and durable metal seated ball valves for power generation, refining, chemical, mining, and pulp and paper industrial applications

www.SSTVALVE.com

Broad selection of high performance ball valves and accessories constructed in Stainless, Carbon, Alloy 20, Hastelloy C, Monel and Brass materials

www.SHARPEVALVES.com

Heavy duty line of strainers, butterfly valves and check valves

www.TITANFCI.com

Relief valves, pressure regulators, back pressure regulators, and strainers constructed in a wide range of materials

www.STRAVAL.com

Pneumatic, electro-pneumatic and digital valve positioners for various flow control markets

www.VACACCESSORIES.com

Industry leader for pipe, valve and fitting products headquartered in Houston, Texas

www.ALLIED-GRP.com

Polyethylene tanks and containment basins

www.ASSMANN-USA.com

Electrical motors

www.BALDOR.com

Wide range of industrial products for pumping and fluid processing systems including pulsation dampeners, diaphragm seals, and spill containment units

www.BLACOH.com

Industrial grade valves, piping, actuation, flow meters, and controls of all solid plastic construction

www.CHEMLINE.com

Thermoplastic pipe, valve and fitting products available in PVC, CPVC, Polypropylene, and PVDF materials

www.NIBCO.com

Pre-fabricated, skid-mounted specialty chemical and process feed systems for various applications and industrial markets

www.EGM-LLC.com

Electrical control panel design and fabrication services, PLC programming, remote monitoring panels and industrial networking

www.EGM-LLC.com

High quality chemical feed accessories including back pressure valves, pressure relief valves, calibration columns, and injection valves

www.GRIFFCOVALVE.com

AC Tech line of variable frequency drives for wide range of motor control applications

www.LENZE.com

Thermoplastic valves, strainers, filters, pumps, bulkhead fittings and instrumentation products designed for industrial applications

www.HAYWARDFLOWCONTROL.com

A key supplier of Electronic & Mechanical Level Instrumentation, Sight Flow Indication, Chemical Process Equipment, and Engine & Gas Compressor Equipment for various industries, including oil and gas, petrochemical, power, pulp and paper, water and waste treatment

www.KENCO-ENG.com

Calibration columns, injection quills, and standard and custom manufactured static mixers in wide range of materials

www.KOFLO.com

Global manufacturer of mechanical and electrical drive technology including speed reducers, electric motors, motor starters and AC vector drives

www.NORD.com

High quality industrial filtration equipment available in bag and cartridge type configurations

www.SHELCO.com

Broad range of plate and shell & tube heat exchangers for bio-fuel, chemical process, mining, naval, petroleum, power generation, pulp and paper, and sugar processing industries

www.STANDARD-XCHANGE.com

STAINLESS STEEL, CARBON STEEL, and HIGH ALLOY PIPING AND FITTINGS

Standard, Heavy, Double Extra Heavy Pipe, Flanges, Nipples, and Fittings

CHEMICAL and PROCESS FEED EQUIPMENT

Glass lined piping, vessels, specialties and accessories made in Switzerland and stocked in the USA

OEM GroupStarters and Drives engineered for your specific needs.

www.BENSHAW.com

Industrial routers and modems for remote connectivity.

www.EWON.biz

Industrial communication devices for robots, engines, drives, generators and other business critical equipment.

www.HMS-NETWORKS.com

HPS is the largest manufacturer of dry-type transformers in North America and offers support for industries such as oil and gas, mining, steel, waste and water treatment, and wind power generation.

www.HAMMONDPOWERSOLUTIONS.com

Global expert in electrical power and advanced materials.

www.MERSEN.com

The only major electrical manufacturer to focus exclusively on AC inductors and DC power supplies, Micron is *the* supplier of choice for leading original equipment manufacturers and control system builders around the world.

www.MICRONPOWER.com

Moxa provides a full spectrum of quality products for industrial networking, computing, and automation.

www.MOXA.com

Pepperl+Fuchs is a pioneer and innovator of industrial sensors for factory automation and an expert for explosion protection in process automation.

www.PEPPERL-FUCHS.com

Phoenix Contact - the innovative market leader of industrial connection technology, automation technology, electronic Interface systems and surge protection.

www.PHOENIXCONTACT.com

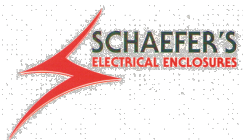

Rittal is built on a tradition of innovation and takes pride in a progressive approach to engineering comprehensive and effective solutions that support customers in pursuit of their goals.

www.RITTAL.com

With an extensive catalog of flexible cables and wires, custom cables, temperature measurement tools and cable harnesses, SAB North America has all your cable needs in check.

www.SABCABLE.com

Schaeffer's utilizes a lean manufacturing philosophy and an agile workforce to provide you with custom enclosures suited to your custom applications.

www.ELECTRICAL-ENCLOSURES.com

Siemens is a leading supplier of systems for power generation and transmission as well as medical diagnosis. In infrastructure and industry solutions the company plays a pioneering role.

www.SIEMENS.com

OEM ELECTRICAL COMPONENTS

Softing Industrial is an expert in the implementation and advancement of digital data exchange in industrial automation applications.

www.INDUSTRIAL.SOFTING.com

Stahlin offers you a wide-ranging selection of non-metallic enclosures featuring 15 full product lines encompassing over 1000-part numbers and over 40 configurations.

www.STAHLIN.com

TCI manufactures active (electronic) and passive (magnetic) products to resolve power quality and harmonic issues associated with industrial power conversion.
